FERDINAND'S ROYAL FLUSH

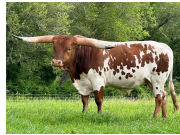

Date of Birth: 04/28/2023
Registration 1: CI343029

“Royal” comes from a long line of royalty starting with her sire TTT Ferdinand who brings Cowboy Chex, Dunn Del Rio Ready and Concealed Weapon. On her dams side: Tari Graves, Totem Pole and Hunts Command. But what makes this nicely built heifer so valuable is her in your pocket personality. She’s built right with a deep body, straight back, correct feet and a beautiful babydoll face. We love this girl.
