We've got our eye on this frosted bullcalf, he's got great color, conformation and cache, on his sires side he goes back to WS Hydro and Hicks breeding for size, horn and wow color. On his dam's side she stitches together Cowboy Chex, Dunn Del Rio Ready, Royal Reputation, and Concealed Weapon. Mom's brindle and dad's frosting combine in this gorgeous bull calf plus great body, back and a beautiful hind end. Add to this perfect upright foot
